1	A celebrated theory is still the source of great controversy.
2	A celebrated theory is still a subject of great controversy.
3	A good architectural structure should be usable, durable and beautiful.
4	A good research assistant is not afraid to ask questions. (OR assistance)
5	A group meeting will be held tomorrow in the library conference room.
6	A massive accumulation of data was converted into a communicable argument.
7	A number of students have some volunteer jobs.
8	A party is thrown in the sma <mark>ll meeting room.</mark>
9	A person's education level is closely related to their economic background.
10	A recent a <mark>rticle shows a number of interesting experiments.</mark>
11	A very basic function of computing is counting and calculating.
12	Accounting students should have a good understanding of profit and loss statements.
13	Affordable housing is an important issue for all members of society.
14	Agenda items should be submitted by the end of the day.
15	All answers must be examined and supported by relevant theory.
16	All dissertations must be accompanied with a submission form.
17	All educational reforms have been inadequately implemented.
18	All industries consist of input, process, output and feedback.
19	All lectures and learning materials can be found on the internet.
20	All medical students must clean their hands before entering the room. (OR this room)
21	All of the assignments should be submitted in person to the faculty office.
22	All of your assignment should be due by tomorrow.
23	All of your assignments should be submitted by next Tuesday.
24	All staff must leave from the fire hydrant exit.
25	All students need to attend no less than ten labs per semester.
26	All the educational reforms have been inadequately implemented.
27	All writers are consciously or unconsciously representing their own culture.
28	Although sustainable development is not easy, it is our responsibility.
29	Americans have progressively defined the process of plant growth and reproductive development in quantitative terms.
30	An aerial photograph was promptly registered for federal evaluations. (OR thorough evaluation/evaluations)
31	An ancient text may hold secrets which were lost centuries ago.
32	An archaeologist's new discovery stands out in previous overlooked foundations. (OR previously)
33	An introduction is an essential element of presentation.
34	And in that regard, as well as in other regards, it stands as an important contribution.
35 36	Animal and plant cells have a number of structures in common. Animals raised in captivity behave differently from their wild counterparts.
37	Art is an expression of creative skills and imagination.
38	Article numbers are collected through interesting experiments.
39	Artists, other than politicians, played their own roles of cultural critics.
40	Artists, other than politicians, played their own role as critics of culture. (different version)
41	Assignments should be submitted to the department before deadline.
42	Attracting skilled workers to the city with expensive housing is hard.
43	Avoiding confusing causes and effects of those changes.
44	Before attending the lecture, you must register online or by post.
45	Before completing the exercise, you need to read the remaining chapters.
46	Before submitting your assignment, your advisor must approve your application.
47	Behind the garage is a secret storage room.
48	Behind the garage, there is a flat car drawn by mules.
49	Being bilingual is not necessarily having the ability of understanding two languages.
50	Below the heating controls in the middle, there is a small round plastic button.
51	Books for children often contain many bits of illustration.

52	Caged camera to see the fish.
53	Career opportunities in this field are quite limited.
54	Carefully rub contact lenses with your fingers for a thorough cleanse.
55	Celebrated theory is still a subject of controversy.
56	Celebrated theory is still a subject to a great controversy. (different version)
57	Celebrity is still the great source of controversy.
58	Certain organisms can reproduce using just one parent.
59	Certain scientific principles need to be learned verbally or by a logical deduction.
60	Chemistry building is located at the entrance to campus.
61	Children acquire their first language without any conscious effort.
62	Climate change is a fierce phenomenon concentrated by scientists.
63	Climate change is becoming an acceptable phenomenon among a group of reputable scientists.
64	Clinical practices in nursing prepare students in practical practices.
65	Collaboration between departments is a feature of successful companies.
66	Companies want to protect their brand from negative comments.
67	Competition for the places in courses is fierce.
68	Conferences ought to be scheduled two weeks in advance.
69	Consumer confidence has a direct influence on sales.
70	Consumer confidence tends to increase as the economy expands.
71	Control systems in manufacturing require a high level of accuracy.
72	Convincing evidence for this theory is hard to obtain.
73	Convincing evidence to support this theory is hard to obtain.
74	Cosmetics and plastic surgery often evokes images of famous personalities.
75	Could you please prepare a medical certificate for me to submit to my manager?
76	Course work and exams will form part of the annual assessment.
77	Create a playlist of your favorite music to help you relax in difficult situations.
78	Daily practice can build confidence and improve skills.
79	Dealing with the growing population is a challenge for many governments.
80	Demand and supply are one of the fundamental factors in economics
81	Despite the protest, the chemistry department was closed down.
82	Despite their differences, all forms of lives share the same characteristics.
83	Distance learning allows you to develop a career around your commitments.
84	Do not know if there is a plural, but I do not seem to have one.
85	Early streams of economics in Roman Republic will be examined.
86	Eating too much can lead to many health problems.
87	Economic problems cause a rise in unemployment.
88	Economic streams of early Roman Republic will be examined.
89	Educational level is found to be related to social and economic backgrounds.
90	Eight groups need to submit the outlines of their projects to their tutors.
91	Elections of president take place once every four years.
92	Essays are easy once research is finished.
93	Evaluation forms will be reviewed by university personnel.
94	Even if you have used cosmetics for years without problems, one or more ingredients can still trigger an allergic reaction.
95	Every student has regular meetings with his or her personal tutor.
96	Everyone must evacuate the premises during the fire drill.
97	Experts are (now) able to forecast weather over much longer periods.
98	Experts are thinking that the world climate is changing.
99	Experts believe that industry development will help economy.
100	Fashion trends help to make people's life interesting.
101	Final year business students have to write a five-thousand-word essay on market trends. (OR 5000 word)
102	Food cannot be eaten in the main library.

103	Food has become a political issue in the world.
104	Free campus tour runs daily during summer for prospective students.
105	Freshwater creatures did not appear in the paintings until the modern period.
106	Geography is generally divided into two branches: human and physical.
107	Good research delivers perspectives for real people.
108	Good research delivers practical benefits for real people.
109	Good research paper delivers practical benefits to real people. (OR can be without the words paper/practical)
110	Government reforms have been proposed at all levels.
111	Graduates from this course find careers in the financial sector.
112	Graduates of journalism can get a job in the communication field.
113	Growing population has posed a challenge for many governments.
114	He is regarded as the most foremost economist this year.
115	He landed a job in a prestigious law firm.
116	He started his tutorial presentation right on time.
117	He was constantly looking for ways to bring industry and agriculture closely together. (can be without closely)
118	He was not the only one to call for a legal reform in the sixteenth century.
119	He was regarded as an economist in his time.
120	Heavy rain will fall across the city next week.
121	Higher numbers of patients were infected than during previous outbreaks of the illness.
122	Human beings compete with other things for resources and space.
123	Hundreds of millions of dollars are spent each year promoting unhealthy foods.
124	Hundreds of scientific papers have been published on global warming.
125	I thought it was through the small meeting room. (OR within the small)
126	I thought we would meet in the small meeting room.
127	Identity theft happens to thousands of people every year.
128	If finances are the cause of concern, scholarships may be available.
129	If it helps to take notes in order to concentrate, please do so.
130	If it helps you concentrate, take notes, do it.
131	If taking notes helps your concentration, please do it
132	If you are not sure, call student services for help.
133	If you seek for further extension, contact your faculty for more information.
134	If you use anger as a tool too often, people will learn to avoid you.
135	Implementation figures are expected to be improved in the next few years.
136	Important details in the article are missing from the summary.
137	In addition to the course's requirements, students must pass the qualification examinations.
138	In this language course, we focus on fluency and accuracy.
139	Increasing population results in an increasing demand for energy.
140	Inflation affects the demand, pricing and consumption of most products.
141	Interim grades will be posted on the board outside the student lounge.
142	International exchanges formed the important part of our program.
143	It helps to take notes for concentration, so please do.
144	It is absolutely vital that you acknowledge all the sources.
145	It is hard to anticipate all the characters that were in the act.
146	It is hard to observe the reaction of the characters in the act.
147	It is important for students to keep up with the deadline.
148	It is important to allocate your time wisely when revising.
149	It is necessary to dress formally for the graduation ceremony. (OR graduate)
150	It is really a comprehensive program that covers both theory and practice.
151	It is strictly required to submit the assignment by Friday.
152	It is very likely that space travel will become popular in the private sector.
153	It was hard to anticipate how all the different characters would react.

358	The most striking thing about this budget of a smartphone cannot be seen on its face.
359	The museum is closed on Thursday morning every month.
360	The nation achieved prosperity by opening its exports for trade
361	The nearest automatic teller is in front of the anatomy labs.
362	The new chemistry professor will deliver his first lecture tomorrow.
363	The new media has transformed the traditional national boundaries.
364	The new medical students should attend the talk about optional courses.
365	The new paper challenged the previously accepted theories
366	The new product failed due to a lack of demand.
367	The new technician dropped the microscope in the biology lab.
368	The office opens on Mondays and Thursdays directly follow the freshman categories.
369	The placement test of mathematics and statistics is offered in this semester.
370	The plight of wildlife has been ignored by developers.
371	The poster of this play is hung in the large lecture theater/theatre.
372	The printers automatically print two sides of each page.
373	
374	The problem of postgraduate students is funding. The professor took one year working on her book.
375	The prosperity of the United States can be described as the consequences of its open exports.
376	The qualification will be assessed by using a conference criterion to approach.
377	The railway made long-distance travel possible for everyone.
378	The Paul Course will professe in the appearance travel possible for everyone.
379	The Real Group will perform in the concert hall.
380	The reconciliation is important, the basic underlying issue must be first addressed.
381	The relative humidity is the amount of moisture that the air can hold.
382	The relevant materials are reserved in the library.
383	The report contains the most important information.
384	The research on cyclone tropical forest is forecasting the weather conditions.
385	The researchers are disappointed that their materials are proven to be inconclusive.
386	The results of the experiment are reported in the table below.
387	The results of the study underscored the discoveries from early detections.
388	The same approach reached to the same explanation of the problem.
389	The same issue featured both explanations of the problem.
390	The schedule allows plenty of time for independent study.
391	The scientists found most of the studies today.
392	The scientists now study a wide variety of atmospheric processes.
393	The scientists use the web to explore the problems.
394	The site is designed to be highly interactive.
395	The site is designed to be interactive.
396	The slides show there has been a minimal growth.
397	The sociology department is highly regarded worldwide.
398	The software companies design and create new products.
399	The solar energy department is highly regarded worldwide.
400	The spot of lecture on economic policy has been cancelled.
401	The students have options to live in residences or apartments.
402	The summer course was cancelled due to insufficient enrolment.
403	The sustainable development is not easy, but it is unavoidable.
404	The teacher asked the group to commence the task.
405	The teaching staff are extremely approachable, helpful and friendly.
406	The technician left the new microscope in the biology lab.
407	The theme of the instrumental work exhibits more of a demure, compositional style.
408	The theory has a great control of controversy.

409	The time of the math lecture has been changed to ten thirty.
410	The timetable for the next/new term will be available next week.
411	The toughest part of public transport is funding.
412	The toughest part of research for postgraduate students is funding.
413	The traffic is the main cause of the pollution.
414	The undergraduates need some specific resources to analyze a specific problem.
415	The university has a world-renowned school of archaeology.
416	The university library has mo <mark>st of the necessary books.</mark>
417	The university officer will help you locate housing and transportation.
418	The univer <mark>sity seeks the</mark> funds for renovation of the theater.
419	The untapped potential of using the sun is enormous.
420	The visitor used to be the lecturer of this department.
421	The ways in which people communicate are constantly changing.
422	The whole point of the project was to look at the norm not the exception.
423	Theft happens to a thousand people every day.
424	There are different/many types of governments in the world.
425	There are new innovations in the field of digital architecture.
426	There are opportunities to receive the grants from most artistic fields.
427	There are some doubts about whether these events actually occurred
428	There are still many people who struggle in the lab.
429	There have been (too) many struggles in the mathematics department.
430	There is a need for constructive dialogue between leaders.
431	There is a significant difference between theory and practice of education.
432	There is a strict eligibility criterion to undertake background speaker studies.
433	There is a welcome party for all new students for each term.
434	There is clearly a need for further research in this field
435	There is not enough evidence to support these recommendations.
436	There was a prize for the best student of the presentation.
437	There was no correlation between drug use and cure rates.
438	There will be a conference here next summer on using the web for academic research.
439	These have also been found to contribute to the death of many marine animals.
440	They are both grown up in the rural area and dislike the urban life.
441	They developed a unique approach to training their employees.
442	They have struggled since last year to make their services paid.
443	They look at the health needs of the local community and develop plans to set priorities locally.
444	They were struggling last year to make their service paid.
445	This book can be borrowed for a maximum of one week.
446	This class will look at the structure of the essay.
447	This essay will argue technology does more good than harm.
448	This graph shows there is a minimum growth.
449	This is a wide perception that the engineering is for boys.
450	This morning's lecture on economic policy has been cancelled
451	This new paper challenges the previously accepted theories.
452	This problem is complex and difficult to explain.
453	This schedule allows a lot of time for independent study.
454	This slide shows there is a minimum growth.
455	Those events are not yet fully understood.
_	
456	Those students seeking formal extension should talk to their faculties for more information.
456 457	Those students seeking formal extension should talk to their faculties for more information. Those who want to apply for an extension should contact their faculty.
	Those students seeking formal extension should talk to their faculties for more information.

460	To gain full marks, an appropriate bibliography is required.
461	
462	Today's lecture material will be included in the next assessment.
	Tours operate all year round, but the busier season runs from May.
463	Traffic is the main cause for pollution in main cities.
464	Travelling by boat on the river is not possible in winter.
465	Tribes vibe with each other to build strong monolithic statues.
466	Tribes work together to build strong monolithic statues.
467	Tribes work with each other to build monolith statues.
468	Try to work with each other to build up a sense of cooperation and team spirit.
469	Undergraduates can pursue specific interests within certificate programs.
470	Undergraduates have a wide range of cultural modules to choose from.
471	Undergraduates may pay their interests on special stages within specific programs.
472	Undergraduates need some specific sources to analyse a program.
473	Undergraduates pursue their interests/interest in special/specific stages within the program.
474	University departments should carefully monitor articles and publications by faculty.
475	Unusual weather patterns are making farming more difficult today.
476	Water taps on the campus will discourage the frequent use of plastic bottles.
477	We are on track for one billion tobacco related deaths this century.
478	We cannot consider increasing the price at this stage.
479	We hold visiting hours throughout the year for students.
480	We need to hand in the essay by next week.
481	We no longer respond to any material requests. (OR reference)
482	We study science and appreciate the world around us.
483	We support to do research in the field of archaeology such as forecasting and estimation.
484	We were able to contact a number of research subjects
485	Weather patterns have been changed significantly over the past two hundred years.
486	When bad drove out good, the local workers were more difficult than their competitors.
487	When everyone commits to looking after their health, soft drinks will not be on the menu.
488	When launching a product, research and marketing are very vital.
489	When meeting high potential risks, companies will raise their price.
490	When parents talk to children, the tense is simplified.
491	When workers ask for an increase in wages, the company raises its prices.
492	While concealing ideas is desirable, basic underlying issues must first be addressed.
493	While reconciliation is desirable, the basic underlying issues must first be addressed.
494	Why has the project been held up for so long?
495	Writing an essay is easy once the research is finished.
496	Years of training are required to become a medical specialist.
497	You are required to complete the research paper by next Monday.
498	You are trained to be a special journalist.
499	You can contact all your tutors by email.
500 501	You can find a lot more information on the university website.
502	You can request library books by using the electronic catalogue.
	You cannot renew any overdue books in the science library.
503 504	You come with me and the others stay here. You have to learn how to use the library to save your time.
505	You may need to purchase an academic gown before the commencement.
506	You must submit your assignment by next Friday at the latest.
507	You should allocate your time wisely when revising.
508 509	You should contact all tutors by email.
	You should draw your graph on a separate page. You should include these two pictures from the lecture in your assignment.
510	You should include these two pictures from the lecture in your assignment.

511	You should provide examples to support your ideas and arguments.
512	You should submit your team papers to the general office.
513	You were able to contact a number of research subjects.
514	Your agent will collect commission for each house they sell.
515	Your lowest grade has been eliminated from the calculation.
516	Your statistical information depends on your raw data.
517	Your summary should be as clear and precise as possible.
518	Your task is to create the demand for the product.
519	Your thesis must have a fairly large scope.
	NEW
1	Firm conclusions can be examined through rigorous forms of exams.
2	Students should leave their bags on the table by the door.
3	The castle was designed to intimidate both local people and enemies.
4	Graphs and charts allowed data more easily to be understood.
5	Blue whale is the largest mammal that ever lived.
6	The opening hours of the library are reducing during the summer.
7	A laptop computer has been found in the computer lab. (OR biological labs)
8	His appointment to the economic culture minister was seen as a demotion.
9	Measures must be taken to prevent unemployment rate from increasing.
10	The coffee machine (located) on the third floor is not working today.
11	Muscle cells bring parts of the body closer together.
12	You will learn how to rationally assess your arguments.
13	Journalism faces the crisis in the light of the digital revolution.
14	The department is organizing a flight to London in July.
15	The shipwreck of this year ruined some artefacts which were interested by historians.
16	It takes a long time to walk to university.

SUCCESS, NOTHING LESS
